

Principles of Chromosome Structure and Function

EMBO | EMBL Symposium

5–8 September 2018
Heidelberg | Germany
EMBL Advanced Training Centre

**ABSTRACT SUBMISSION
DEADLINE**
13 June 2018

REGISTRATION DEADLINE
25 July 2018

KEYNOTE SPEAKERS

Job Dekker
University of Massachusetts
Medical School, USA

Edith Heard
Institut Curie, France

SPEAKERS

Geneviève Almouzni
Institut Curie, France

Andrew Belmont
University of Illinois, USA

Wendy Bickmore
University of Edinburgh, UK

**Camilla Björkegren-
Sjögren**
Karolinska Institutet, Sweden

Cees Dekker
Delft University of Technology,
The Netherlands

William C. Earnshaw
University of Edinburgh, UK

Jan Ellenberg
EMBL Heidelberg, Germany

Susan M. Gasser
Friedrich Miescher Institute for
Biomedical Research, Switzerland

Daniel Gerlich
Institute of Molecular
Biotechnology, Austria

Nick Gilbert
University of Edinburgh, UK

Stephan Gruber
University of Lausanne,
Switzerland

John Marko
Northwestern University, USA

Leonid A. Mirny
Massachusetts Institute of
Technology, USA

Geeta Narlikar
University of California,
San Francisco, USA

Mario Nicodemi
University of Naples Federico II,
Italy

Clodagh O'Shea
The Salk Institute for Biological
Studies, USA

Frank Uhlmann
The Francis Crick Institute, UK

Bas van Steensel
The Netherlands Cancer Institute,
The Netherlands

ORGANISERS

Christian Häring
EMBL Heidelberg, Germany

Tatsuya Hirano
RIKEN, Japan

Ana Pombo
Max Delbrück Center for Molecular
Medicine, Germany

Aaron F. Straight
Stanford Medical School, USA

Additional speakers will be selected
from abstracts.
