

# New Approaches and Concepts in Microbiology

## SPEAKERS

**David Bikard**  
Institut Pasteur, France

**Sebastian Bonhoeffer**  
ETH Zürich, Switzerland

**Carmen Buchrieser**  
Institut Pasteur, France

**Matt Cooper**  
The University of  
Queensland, Australia

**Ivan Dikic**  
University of Frankfurt,  
Germany

**Eran Elinav**  
Weizmann Institute of  
Science, Israel

**Tobias Erb**  
Max Planck Institute for  
Terrestrial Microbiology,  
Germany

**Kevin Foster**  
University of Oxford, UK

**Mariana Gomes de  
Pinho**  
Instituto de Tecnologia  
Química e Biológica,  
Portugal

**Mark Goulian**  
University of  
Pennsylvania, USA

**Regine Hengge**  
Humboldt-Universität zu  
Berlin, Germany

**Kirsten Jung**  
Ludwig-Maximilians-  
Universität München,  
Germany

**Dan Kahne**  
Harvard University, USA

**Roy Kishony**  
Technion – Israel Institute  
of Technology, Israel

**Joseph Mougous**  
University of Washington,  
USA

**Dianne Newman**  
California Institute of  
Technology, USA

**Tracy Palmer**  
Newcastle University, UK

**Eric Pamer**  
Memorial Sloan Kettering  
Cancer Center, USA

**Lalita Ramakrishnan**  
University of Cambridge,  
UK

**Uwe Sauer**  
ETH Zürich, Switzerland

**Morten Otto Alexander  
Sommer**  
Technical University of  
Denmark, Denmark

**Natalie Strydanka**  
University of British  
Columbia, Canada

**Jan-Willem Veening**  
University of Lausanne,  
Switzerland

**Jörg Vogel**  
Helmholtz Institute for  
RNA-based Infection  
Research, Germany

**Matthew Waldor**  
Brigham and Women's  
Hospital, USA

**Jade Wang**  
University of Wisconsin-  
Madison, USA

## EMBO | EMBL Symposium

10 – 13 July 2019

Heidelberg | Germany

EMBL Advanced Training Centre

ABSTRACT SUBMISSION  
DEADLINE

14 April 2019

REGISTRATION DEADLINE

28 May 2019

## ORGANISERS

**Pascale Cossart**  
Institut Pasteur, France

**KC Huang**  
Stanford University, USA

**Michael Laub**  
Massachusetts Institute of Technology,  
USA

**Nassos Typas**  
EMBL Heidelberg, Germany

Additional speakers will be selected  
from abstracts.
